

Lifting the cross ownership ban to allow further media consolidation will not serve the public's interest. more commercial, less diverse, and less accountable to the public.

absorption of the newspaper industry with that of Television would create a mega-industry which would create a negative impact upon print journalism.

please refrain from lifting the ban on cross ownership. We need a critical public in order to have a democracy,

this lifting of the cross ownership ban being considered by the FCC is a travesty, allowing them to do so would

be proof that America is no longer a democracy, too those who have not already see the injustice.

The mass media must be diversified with more point of view, not drowned out by the powerful few. THINK OF THE YOUTH.

media should be education, not the propaganda of the state or of the corporation.
